

To provide safe/sound healing.

– The COVID-19 Prevention –

Dear guests;

We sincerely thank you for visiting Olive Spa.

We, at OLIVE SPA · PENTHOUSE, make sure to provide you with safe/sound healing services, and ensure safety for our therapists at all time. We truly appreciate your understanding and cooperation during such difficult time. We hope you have a precious time with us.

1

Body temperature measurement

We will ask you to measure your body temperature and if you have fever higher than 37.5°C (99.5°F), we will ask you to leave the facility. (Our therapists are required to measure their body temperature every day.)

2

Check on the Terms of Condition

We will ask you about your health condition, traveling history, and etc. If you have any potential symptoms of the COVID-19, we will ask you to leave the facility and not come back for a reasonable period of time.

3

Wash your hands / Mouth rinse

Please wash and sterilize your hands, and mouth rinse as you enter the facility.
(*Your therapist will give you mouthwash)

4

Wear Facemask at all time

Please wear your facemask at all time during your therapy. We may ask you to leave the facility if you have no facemask with you.

5

Sterilization of Facility

We sterilize our beds, sinks, and bathrooms for your usage.

6

Hypochlorous-water / Air-disinfection / Ventilation

We constantly ventilate our facilities, and air disinfect with hypochlorous (harmless) during your treatment.
